TO WHOM IT MAY CONCERN

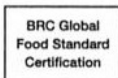

Dear Sir/Madam

I have known John Watson for almost 20 years and during that time John has been involved in the development of a number of major dairy projects ranging from Mozzarella production to Baby Food manufacture from drawing board to full production.

John is a professional through and through and his attention to detail is second to none. John has a firm grasp of commercial development and has his feet firmly on the ground and I would trust his advice to be based on sound logic.

Yours faithfully

John Mullen  
Managing Director
